

PROFESSIONAL SOLUTIONS

W-FAZ PRO FIXANCHOR

The strongest Würth Fixanchor
of all times!

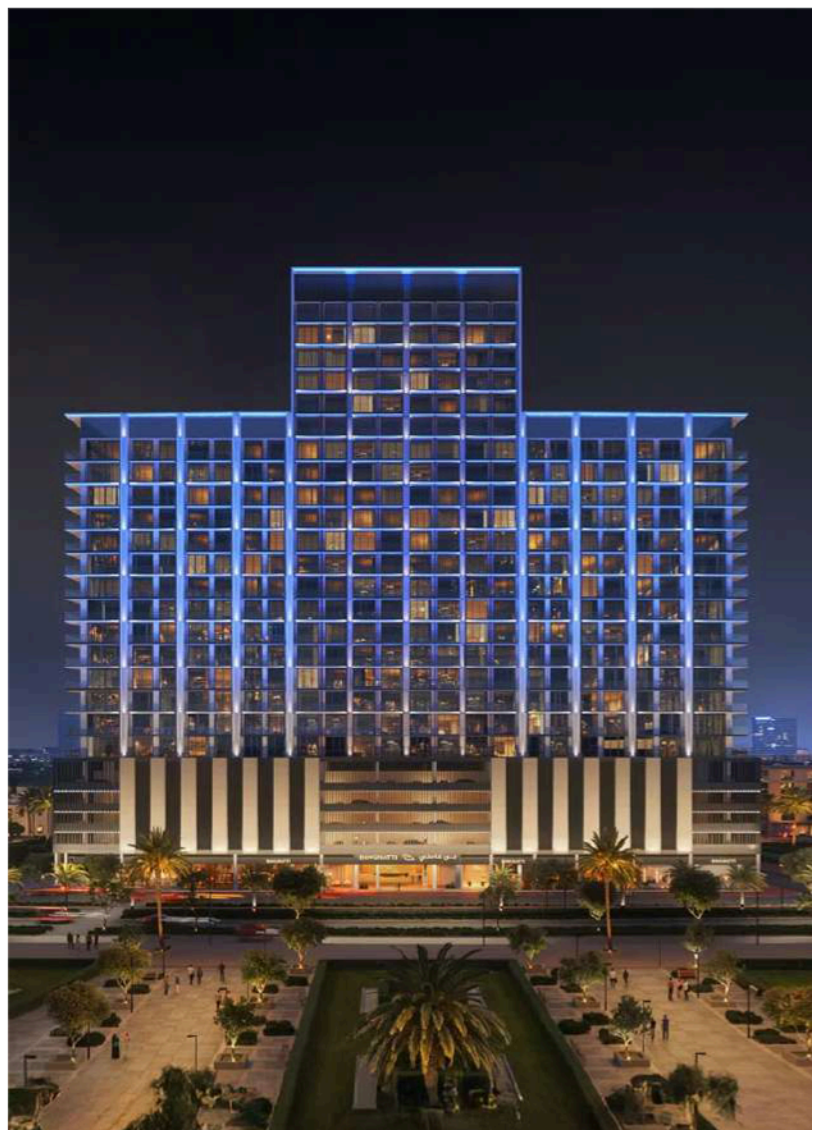

DECADES OF MASTERY | TRANSFORMATIONAL RESILIENCE

Top-class tensile and shear loads in combination with variable embedment depths enable targeted use of the loads. In practice, this means:

Lower material consumption, less work and increased efficiency!

FIXING THAT'S THREE TIMES AS SAFE? **CHOOSE WÜRTH.**

- 1. Approved solution for a high level of user safety** (cap nut is included in the ETA rating)
- 2. Minimises the risk of injury to end users** (no exposed, protruding bolts)
- 3. Secure hold thanks to the highest tensile and shear loads* on the market**
